

Test Case ID	Description	Steps	Expected Results	Actual Results
1	Verify searching for "Dress" in home page	1. In "Home page" write "Dress" in the search bar 2. Click on the "search" button.	All dresses items will appear.	Nok, two irrelevant products appear.
2	Verify submitting contact form with valid input	1. Navigate to the "Contact Us" page. 2. Fill in all required fields (Subject, Email, Reference code, Message). 3. Click on the "Send" button.	The form should be successfully submitted, and a confirmation message should be displayed "your message has been successfully sent to our team".  	Ok
3	Verify validation for empty Subject field	1. Navigate to the "Contact Us" page. 2. Leave the Subject field empty and fill in the Email, reference code and Message fields. 3. Click on the "Send" button.	An error message should be displayed indicating that the Subject field is required "please select a subject from the list provided". The form should not be submitted.  	Ok
4	Verify validation for empty Email field	1. Navigate to the "Contact Us" page. 2. Fill in the Subject and Message fields, leave the Email field empty. 3. Click on the "Send" button.	An error message should be displayed indicating that the Email field is required "Invalid email address". The form should not be submitted.  	Ok
